Copyright, Trademark, ROP, Rights of Privacy, Patent
2024 Digital Media & Video Game Conference

November 8, 2024
1:00pm-2:00pm PDT

Marc Mayer is speaking on the panel, "Annual Litigation Update - Part I," at the 2024 Digital Media & Video Game Conference presented by UCLA's Ziffren Institute and Institute for Technology, Law & Policy, in association with the American Bar Association's (ABA) Forum on Sports and Entertainment Industries on November 8, 2024. The panel will cover updates in copyright, trademark, ROP, rights of privacy, and patent litigation.

Since 2007, the Digital Media and Video Games Conference has been a key gathering for senior attorneys, executives, and industry leaders from video game developers, platform owners, publishers, eSports teams, content creators, and more.
