eleanor m. lackman quoted in *bloomberg law*

April 14, 2023

Eleanor M. Lackman was quoted in the article, "AI Celebrity 'Deepfakes' Clash With Web of State Publicity Laws," published by *Bloomberg Law* on April 14, 2023.

From the article...

"The challenge is that this technology is moving so quickly and there are so many potential variations that could come up," said Eleanor Lackman, an intellectual property attorney at Mitchell Silberberg & Knupp LLP. "It's certainly hard to tell what will happen, particularly in the entertainment context."
